

**CHICAGO, IL Jan. 21, 2019** — Clarity Clinic, the premier Counseling and Psychiatry Clinic, announced the opening of a new office in Chicago, IL on Michigan Ave, Clarity Clinic—Loop. This office is slated to open in February and is taking on new clients starting on February 4<sup>th</sup> 2019. The office at 333 N Michigan Ave will strengthen the company’s partnerships with local businesses, hospitals and schools. This expansion positions Clarity Clinic as one of the top practices with comprehensive psychiatry and counseling services in the loop.

“We are grateful to be opening a new office on Michigan Ave in Chicago, IL in addition to our presence throughout the city and suburbs. This will further strengthen our service capabilities and accessibility in one of the fastest-growing markets, said Dr. Pavan Prasad, Founder, Clarity Clinic.” We are seeing exponential demand in this region for counseling, psychological evaluation and psychiatry. We are always working to expand our practice and offerings to meet clients and support them where they are.”

#### About Clarity Clinic

Clarity Clinic is the premier Counseling and Psychiatry Clinic in Chicago, IL with knowledgeable, progressive clinicians that help patients grow and change on their path towards overall wellbeing. Clarity Clinic empowers patients to take control of their goals and overcome challenges. This private practice is a defining clinic in mental health services in IL. We have a team of experts that combine their capabilities ranging from medication management, individual therapy, couples therapy, family therapy and group therapy. Specialties include: anxiety, depression, trauma, self-esteem, LGBTQ and more. The integration of therapy for children, adolescent and adults for individuals, couples and families combined with psychological evaluation and medication management sets Clarity Clinic apart from other practices in Chicago.
